PROFILE

As a front-end web developer, my focus is on crafting exceptional digital experiences that delight users. My skills include building responsive and intuitive front-end web applications while occasionally dabbling in design. While my primary focus is on the front-end, I'm also dedicated to broadening my skills by learning back-end technologies.

SKILLS

- Html
- CSS
- React JS
- Redux
- JavaScript
- React Native
- Firebase
- Github
- Styled Components
